J. W. BARNES CO. TRADE EXPANSION SALE IS ON!

## Eby's Becomes Full Fledged Dollar Store

New Policies Announced by Popular Torrance Dry Goods Merchant

With Torrance and the surrounding community becoming more cosmopolitan every day, owing to growth and prosperity, M. Paul Eby has converted his dry goods store at Cabrillo and Cravens into a Dollar Store.

Mr. Eby has announced that his policies will be more advanced than those of dollar stores to be found in most cities. For one thing, purchases of \$1 will not be compulsory at Eby's store. A 5c purchase, says Mr. Eby, will be just as much appreciated as a dollar one, and will command the same courtesy and service. The store also will continue to give S. & H. Green stamps.

New merchandise is arriving daily and the new dollar store rapidly is taking on a metropolitan air.

The volume of business already has outgrown the present quarters, and Mr. Eby contemplates enlarging the Dollar Store in the future. Five peso tienda en Torrance!

## Piggly Wiggly Has Tremendous Growth

The Piggly Wiggly Western States Company reports the following comparative of sales, earnings and new stores opened for the first six months of 1927 as against the first six months of 1926:

Sales: 6 months, 1926, \$3,175,712.21; 1927, \$6,502,697.93. Increase, \$3,326,985.69, 105%.

Earnings (before taxes): 6 months, 1926, \$96,697.62; 1927, \$148,313.06. Increase \$51,615.44, 48%.

New stores opened: 6 months, 1926, 15; 1927, 48. Increase 23, 153%.

The most remarkable feature about the growth of this business is that, with the elimination of the sales of all stores opened within 12 months, the volume of business being done each week shows approximately 10% better than the same week a year ago, which showing is considered remarkable at this time.

## De Bra Puts Over Big Radio 'Scoop' At Legion Fiesta

Gene De Bra of the De Bra Radio Company has put over a big radio "scoop" for Torrance. He is now exhibiting, a week ahead of Los Angeles exhibitors, and for the first time on the Pacific Coast, many new radio models by internationally known manufacturers in the DeBra booth at the Legion Fiesta and Automobile Show.

All of the models were scheduled for their first Pacific Coast showing at the Los Angeles Radio Show next week. Through special permission obtained from the manufacturers by Mr. De Bra, the De Bra Radio Company is enabled to give a preview of the models at the Torrance Fiesta.

Radios included in the preview models are the new Kolster Power Console with power cone, the new Atwater Kent Model 59, and the new Zenith Model 11.

Nothing like them has ever been on the radio market before, says Mr. DeBra. They are the last word in modern radio development and refinement. He is well pleased that he has been able to "scoop" the entire Pacific Coast on their first showing.

The models will be in operation in the De Bra Fiesta booth, and Mr. De Bra has invited all Fiesta visitors to inspect them.
